Dear ma'am,

I don't know if I will get the degree tomorrow, since I don't know at all.

After the credit requrement completion, my "no dues" process was triggered.

After the no dues completion my eacademics is desabled now.

But still I don't know, if I am going to get the degree tomorrow or not!

So, why do I think so? The detailed document is attached.

If you can help me, I would be very very happy.

Thank you so much.

Yours sincerely, Ratnesh
